3. The Star

ADDITIONAL INFORMATION

Success Stories :

We can see more students from the weaker classes participating actively during discussions, presentations and English activities carried out in class, out of class and outreach. The English Day is used as a platform for them to participate in the activities to speak English confidently, to break away their shyness and to overcome stage and mike fright. This year, we were given the privilege to organize the Poem Recitation for District Level 2018.

Challenges :

Lack of support from the surrounding.
